Hello Lorena,

Hope all is well. It was a pleasure to meet you. I'm the Rapid Response Coordinator that kinda changed the tone of the meeting when I offered services for dislocated workers :)

I wanted to know if you have put together the contact list for the business owners? I was planning to reach out to them individually at some point. So far, none of the owners have contacted me.

I like your idea about bringing the shops to downtown San Pedro with the thought of creating a small indoor mall. Have they contacted you? I hope they will consider my Idea of branding their group with a name similar to Port's O' Call. Lastly, do you know how the meeting with the developer went on that Friday?

Best regards,
Dennis
